Dear Shopper: While we work to ensure that product information is correct, on occasion manufacturers may alter their ingredient lists. Actual product packaging and materials may contain more and/or different information. This program is provided to help direct your attention to those products that merit your attention so that you may read the label more closely to help you reach your Wellness goals more easily. Its purpose is to cut through the clutter at-shelf and save you valuable time as you build a better wellness basket. We recommend you do not solely rely on the information presented and that you always read nutrition facts for other information on sodium, total fat, saturated fat, and cholesterol prior to evaluating an item for use. For additional information about a product, please contact the manufacturer. Content on this site is for reference purposes and is not intended to substitute for advice given by a physician, pharmacist, or other licensed health-care professional. You should not use this information as self-diagnosis or for treating a health problem or disease. Contact your health-care provider immediately if you suspect that you have a medical problem.
